

Nothing is less, everything is special at M.O.D

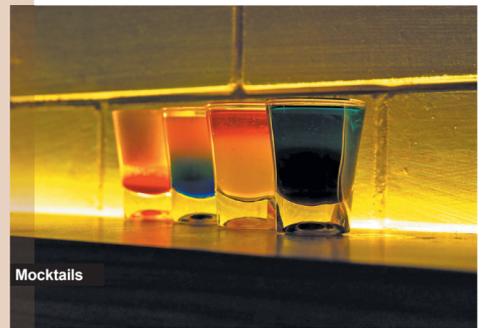

MOD i.e. Ministry of Drinks is a fresh new pub in the heart of Chennai. Located just off Mount Road, in Nandanam, they are redefining the night life of the area. Started and managed by chef Mani and chef Navin of Chef M&N, who are well known in the industry and have helped many successful kitchens before, MOD is all about being the perfect hangout spot. The food is a clear cut above what we find in most pubs and bars, while the cost is kept to a reasonable level. A meal for 2 averages out to 1,200 with alcohol. Their fully stocked bar which occupies one entire wall of the establishment, is sure to please even those with the most niche of drinking tastes.

And talking about drinks, they have some good old drinks and some crazy ones. The vodka sip ups and the fusion drinks made with mixtures of alcoholic spirits and oranges, plums, berries are a big hit amongst the regulars! The

food menu has a mix of Continental, Indian and pan Asian cuisines, chicken 555 and burgers being the most ordered amongst the rest!
